Preserving, Protecting and Defending the Legacy of the Siri Singh Sahib

Sikh Dharma WorldWide is an independent Sikh Dharma non-profit 501(c)(3) corporation established over 30 years ago at the direction of the Siri Singh Sahib. It was recently restructured to allow the legitimate Sikh Dharma International (SDI) Board of Directors, Officers and staff to continue to serve Sikh Dharma and the Sadh Sangat.

Sikh Dharma WorldWide is intended to serve as an independent and protected vehicle for tax-deductible contributions that will be dedicated to the continuance and support of the legacy of Sikh Dharma, the Sikh Dharma Ministry and the International Khalsa Council, as established by the Siri Singh Sahib. It is independent of any other SDI affiliates and not under the control of either Unto Infinity (UI) or the Sikh Dharma Stewardship (SDS).

Sikh Dharma WorldWide is dedicated to the preservation, defense, and protection of Sikh Dharma International and the legacy of the Siri Singh Sahib. Contributions to the Sikh Dharma WorldWide Legal Fund are dedicated to covering legal expenses in the ongoing lawsuit brought by the Board of Directors of Sikh Dharma International (SDI) against Unto Infinity (UI) and the Sikh Dharma Stewardship (SDS).
